Friday - DC Guide Tour of Mansions, Estates, and Homes

Upon arrival to our Nation's Capital, each guest will receive their very own **keepsake Cultural Tourism DC's Passport** where each visited Embassy will stamp upon arrival as a record of their visit. Depart with a professional **DC Guide** and begin **touring** with a visit to the jaw-dropping **Mansions of Kalorama Neighborhood** with famous homes belonging to the posh and elite such as: **Barack and Michelle Obama, Jeff Bezos, and Ivanka Trump**. Next we will visit the **Anderson House**, completed in 1905 and is one of the Capital's most fashionable mansions. Used as a winter residence by **Larz Anderson, an American Diplomat**, and his wife, **Isabel, an author and benefactress**, also used this residency to showcase their **art collection, hold diplomatic & inaugural receptions, formal dinners, luncheons, concerts, & dramatic performances**. Today this **National Historic Landmark** is open to the public as a historic **house museum** where the traditions of **collecting, entertaining, and patriotic service** still continue. And for your additional eye-candy pleasure, tour beautiful **Hillwood Estate and Gardens**. **Dinner is included** this evening prior to an after dark, **Illuminated Monument Tour** and then **checking in to your local hotel** for the night. (Meals: D)

Saturday - Embassy Event & National Gallery of Art

After **breakfast** at the hotel this morning, we're off with our **Tour**

Guide for the annual, official **Cultural Tourism DC Passport Weekend Embassy Event**. Our **Guide** will escort us through the streets of the Capital and expertly navigate our group quickly and effectively through the throngs of visitors exploring the unique offerings of each individual Embassy—who routinely try to out-do each other year after year, with impressive spectacles reminiscent of their homeland! For many of these Embassies, this is the only time they make themselves open and available for public touring during the entire year! We'll experience just how small our world truly is with **live musical & dance performances, fashion shows, and more food and drink offerings** than can be imagined! After the festivities, we'll continue the international theme and spend time exploring **The National Gallery of Art** and enjoy artist's works from around the world. **Dinner is included** this evening as well as an after-dark **Illuminated Monuments & Memorials Tour**. (Meals: B, D)

Sunday - Breakfast and Museums
