

# Montana & Glacier National Park

Some places are the same whether you view them from the pages of a magazine or from the soles of your traveling shoes - Montana is *not* one of those places! The real treasures of this beautiful state are the sweeping vistas, pristine streams and awe-inspiring mountain peaks. Find out why Lewis and Clark described Montana as “scenes of visionary enchantment,” while among the prairies, mountain ranges and ghost towns, and expect to see a variety of two and four legged creatures! Come with us and find out why Big Sky Country is a true feast for all the senses!
