

Twilight Tastings

WASHINGTON, DC

Itinerary

Day 1 – Cruise into Flavor

Arrive in Washington, DC, and explore the Smithsonian museum of your choice with time for lunch on your own. After checking into your hotel, enjoy a waterfront Welcome Dinner in Georgetown featuring fresh, local flavors. Then, board your private Potomac River Twilight Cruise, where cocktails, hors d'oeuvres, and city lights set the perfect tone for your foodie adventure.

Day 2 – Feast by the River

After breakfast, step into the new National Geographic Museum of Exploration, an immersive space celebrating discovery and adventure as a 100,000-square-foot “Base Camp” for explorers, with immersive exhibits, theater, and a restaurant that will bring NatGeo’s storytelling to life. Continue to The Wharf, DC’s lively waterfront lined with chef-driven restaurants and artisanal treats – perfect for lunch & exploring. Visit The People’s House, a cutting-edge experience telling the story of the Executive Mansion, its inhabitants, and the many people who have dedicated their careers to its functions. Afterwards, visit Lafayette Park and the WWI Memorial before an elegant riverside dinner showcasing the capital’s finest cuisine.

Day 3 – Colonial Bites & Cocktails

Begin with breakfast before journeying to Old Town Alexandria, where cobblestone streets and colonial charm await. Visit the Carlyle House, Christ Church, and Gadsby’s Tavern Museum, once a gathering place for George Washington and early patriots. As twilight approaches, gather dockside for “Tall Tales & Cocktails with Providence” – raising a glass beside the tall ship Providence while sea shanties and maritime tales mingle with the river breeze. Return to Gadsby’s for a colonial-themed dinner hosted by “Martha Washington” herself!

Day 4 – Monuments & Farewell Flavors

After breakfast and checkout, experience the new Lincoln Memorial Undercroft Museum, a subterranean, 15,000-square-foot immersive exhibit space, beneath the memorial with glass walls revealing the memorial’s foundations, theater presentations of civil rights history, and layered storytelling. Enjoy a Monuments & Memorials Tour before lunch on Capitol Hill followed by a Guided Tour of the U.S. Capitol – then depart home with full hearts and satisfied appetites.
