

Neptune Festival

Itinerary

Day One – Arrival & Aviation Adventure

Your Virginia Beach getaway begins with high-flying fun at the Virginia Aviation Museum, where history takes flight among rare WWI and WWII aircraft. Enjoy a delicious lunch in the hangar surrounded by vintage WWI and WWII planes, paired with live entertainment by “Frank Sinatra.” This evening, gather with your fellow travelers for a Welcome Dinner and raise a toast to the start of your seaside celebration.

Day Two – Sand, Sun & the Spirit of Neptune

Experience the heart of the Neptune Festival, stretching more than 30 blocks along the scenic oceanfront! Ride the Virginia Beach Trolley to explore bustling art and craft shows, live music stages, and athletic competitions, all set against the sound of crashing waves. Stroll the boardwalk, savor fresh seafood, and feel the festive spirit that fills the beach. Your Trolley Pass makes it easy to hop between events all day long.

Day Three – Sculpted Masterpieces & Ocean Views

Get ready for one of the festival’s biggest highlights: the epic International Sandsculpting Championship! Watch as 32 of the world’s most talented artists transform tons of sand into stunning works of art. Later, enjoy free time to shop, sightsee, or soak in the sun before heading out on a Dolphin Cruise, where playful Atlantic bottlenose dolphins often leap alongside the boat – the perfect coastal evening!

Day Four – Farewell, Virginia Beach

Enjoy a leisurely breakfast and perhaps one last stroll along the oceanfront before bidding farewell to Virginia Beach. With your Trolley Pass still in hand, make a few final stops at your favorite shops or cafes. Depart with wonderful memories of the Neptune Festival’s magic, ocean breezes, and the spirit of seaside celebration.
