

Biosphere & Beyond

Arizona's Uncovered Secrets

Itinerary

Day One - Lakes, Legends & Western Nights

Your Arizona Adventure begins with a picturesque Dolly Steamboat Cruise through the towering Canyon Lake, keeping watch for bighorn sheep and soaring eagles. Step back in time at the historic Goldfield Ghost Town filled with shops, museums, and Old West charm before checking in to your local, comfortable accommodations. Tonight, savor a lively western-style Welcome Dinner high above the valley, complete with sweeping views and classic Arizona hospitality.

Day Two - Science & Sunset Sips

After breakfast, today brings one of the tour's highlights: an in-depth, guided exploration of the world-famous Biosphere 2, where groundbreaking environmental research comes to life inside a massive glass habitat. After lunch, unwind at a scenic countryside estate for Wine Tastings, live entertainment, and a delicious dinner as the desert sun paints the sky in brilliant colors.

Day Three - Give Back & Tune In

Make a meaningful impact this morning with a hands-on volunteer experience packaging meals for children with the Feed My Starving Children non-profit. Then, enjoy a lively lunch accompanied by the sounds of a historic theater organ before immersing yourself in global culture at the extraordinary Musical Instrument Museum celebrating music from every corner of the planet. The evening is yours to relax and reflect on the day's adventures.

Day Four - Wild West Farewell

Journey south to the legendary Yuma Territorial Prison for a fascinating glimpse into frontier justice and life in the Old West. After exploring the historic grounds, gather for a farewell lunch to toast new friendships and unforgettable experiences before heading home with stories to share and memories to treasure.

Discover Arizona's most fascinating hidden gems on a journey that blends breathtaking desert scenery, Old West history, world-class science, and unforgettable local experiences.

Cruise canyon waters, explore a legendary ghost town, tour the iconic Biosphere 2, sip wine at sunset, and give back through a heartwarming service project. This is Arizona – revealed in ways you never imagined.
